We thank you in advance for a successful campaign!
Dear Parent/Guardian:

Children need healthy meals to learn. St. Joseph School offers healthy meals every school day. Lunch costs $3.50 for middle school students and $3.00 for elementary students. Your children may qualify for free meals.

1. Do I need to fill out an application for each child? No. Complete the application to apply for free meals. Use one Free School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Mrs. Elaine Dickendasher, St. Joseph School 5411 Main St. Sylvania, OH 43560.

2. Who can get free meals? All children in households receiving benefits through the Supplemental Nutrition Assistance Program (SNAP) or Ohio Works First (OWF) benefits can get free meals regardless of your income. Also, your children can get free meals if your household’s gross income is within the free limits on the Federal Income Guidelines. STOP! If you have received a NOTICE OF DIRECT CERTIFICATION for free meals, do not complete the application. But do let the school know if any children in your household are not listed on the Notice of Direct Certification letter you received.

3. Can foster children get free meals? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income.

5. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart shown on this application. NOT APPLICABLE AT ST. JOSEPH SCHOOL.

6. Should I fill out an application if I received a letter this school year saying my children are approved for free meals? Please read the letter you got carefully and follow the instructions. NOT APPLICABLE AT ST. JOSEPH SCHOOL.

7. My child’s application was approved last year. Do I need to fill out another one? Yes. Your child’s application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

8. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free meals. Please fill out an application.

9. Will the information I give be checked? Yes, we may ask you to send written proof.

10. If I don’t qualify now, may I apply later? Yes. You may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free meals if the household income drops below the income limit.

11. What if I disagree with the school’s decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: Anthony Mass 419-244-6711 ext. 112

12. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free meals.

13. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children who live with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
14. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

15. We are in the military; do we include our housing allowance as income? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

16. My Spouse is deployed to a combat zone. Is her combat pay counted as income? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn’t received before she was deployed, combat pay is not counted as income. Contact your school for more information.

17. My Family needs more help. Are there other programs we might apply for? To find out how to apply for Ohio SNAP or other assistance benefits, contact your local assistance office or call 877-852-0010.

If you have other questions or need help, call 419-882-6670.

Sincerely,

(Mrs.) Sally A. Koppinger

Privacy Act Statement: This explains how we will use the information you give us. The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch.

We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules. St. Joseph School does not share information.

While disclosure of the last 4 digits of a social security number is voluntary the National School Lunch Act requires the last 4 digits of a social security number or an indication of "none" for approval of the application.

The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

Dear St. Joseph Parents/Guardians,

I will begin the annual health screening of our students in the coming weeks. Since I will be completing health screenings for the students of K-8, I will not be asking for volunteers as I have done in previous years. I will, however, need assistance from parents who are Registered Nurses, who would be willing to assist me in the clinic on occasions that I am in the classrooms for a scheduled time or out of the building for a scheduled commitment. This is a fun way to be involved with the school. Any Registered Nurse who believes they might be able to assist in the clinic, should return the bottom portion of this letter through the Thursday Envelope. I will contact anyone who indicates a willingness to help me to discuss what your assistance would involve. I can be reached through school at 882-6670 for anyone having further questions. Thank You.

St. Joseph School Concussion Policy and Procedure

Dear Parents/Guardians of Students at St. Joseph School,

St. Joseph School has a commitment to safety by being proactive in assisting students who have been injured with a head injury or suspected head injury. Supporting a student recovering from such an injury requires a collaborative approach among coaches, school staff, health care professionals, parents, and students. Our goal is to assist the student as he/she transitions back to school/activities, making modifications and reassessing as needed.

Our Policy and Procedure supports the concussion policy which has been adopted by CYO (Catholic Youth Organization) and also follows the recommendations set forth by the CDC (Centers for Disease Control).

Recognition and proper response to concussions when they first occur can help aid recovery and prevent further injury or even death. Every child responds to a head injury differently. Some children develop symptoms right away and some may develop symptoms days after the injury. Concussions can be mild to severe. Seeking medical care to determine the extent of the child’s head injury is crucial.

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. It can also occur from a fall or blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild bump to the head can cause a concussion and most concussions occur without loss of consciousness.

Concussions can occur at home in your back yard, at school, or during organized sporting events. Wherever the injury occurs, it is important to seek medical attention if the following symptoms are present:

1. Dazed or stunned appearance
2. Confusion
3. Difficulty remembering or paying attention
4. Balance problems or dizziness
5. Sluggish, hazy, foggy, or groggy feeling
6. Irritable, more emotional, or “down” feelings
7. Nausea or vomiting
8. Light or noise sensitive
9. Double or blurry vision
10. Slowed reaction time
11. Sleep problems
12. Loss of consciousness

Unlike other injuries, returning to normal activities after a concussion too soon can be dangerous. The risk of further injury is the reason why no student should be allowed to participate in activity/school before they are cleared by a qualified physician.
A concussion can affect school and physical activities. During the recovery time after a concussion, physical and mental rest are required. A concussion upsets the way the brain normally works and causes it to work longer and harder to complete even simple tasks. Activities that require concentration and focus may make symptoms worse and cause the brain to heal slower.

Rest is key to helping a child recover from a concussion. Sports, watching TV, playing video games, using the computer, studying, etc. may cause concussion symptoms to reappear or get worse.

**St. Joseph Policy for any Post-Concussion or Possible Concussion**

If a St. Joseph Student has sustained an injury where a concussion has occurred or is suspected:

1. The student must seek medical attention from a physician who is qualified and has training in assessment and care for children with head injuries. The child’s Family Physician/Pediatrician is recommended, as they know the child and can continue to follow the child until normalcy has returned.
2. The qualified physician will determine how serious the concussion is and when it is safe for your child to
   a. Return to school, able to participate in classwork/homework
   b. Return to normal physical activity, including gym and recess
   c. Return to organized sports
3. Parents are asked to provide written release from their physician for return to school in order to participate in schoolwork, gym and recess. Any modifications in activities should be noted on the medical release.

Please note: In support of the guidelines set forth by the CDC, St. Joseph School finds that it may be more harmful to send homework to students who are recovering from a head injury. Teachers will assist a student in making up work when he/she returns to school and has been cleared for academic activity. They will not send homework home until that time.

After a concussion, returning to normal activities is a gradual process and is based on the individual, his/her response to the injury that occurred. Returning to normal activities should be carefully managed and monitored by your child’s physician. St. Joseph School would like to assist you and your child in their return to school after a head injury. Please discuss your child’s individual needs when he/she returns to school with the school nurse and homeroom teacher.

This month we’ll be learning a lot of new and exciting things in preschool. Many of our discussions will focus on making friends and getting to know the routine of our classes. We’ll also talk about our Grandparents and the important part they play in our lives.

Preschool pictures will be taken on September 14-16 so be sure to wear your smile! Please let your child’s teacher know which day you would like to have them photographed.

Autumn will soon be upon us so we’ll spend some time discussing the change of seasons and all of the splendor that goes along with that—such as the colorful, falling leaves and the apples we all enjoy at this time of year.

Once again, welcome! We’re off to another great year at St. Joseph Preschool! It’s such an exciting time!

The 19th annual Family Health & Fitness Day USA is a national health and fitness event for families, set for Saturday, September 26, 2015. (always on the last Saturday in September.) The event’s purpose is to promote family involvement in physical activity, one of the goals of the U.S. Surgeon General’s Report on Physical Activity and Health.

Dear SJS Parents,

Welcome to another school year! I hope everyone is adjusted and back on schedule.

PTO is looking forward to another wonderful year. Together we can carry on the strong tradition of parent involvement at St. Joe’s. One way to get involved is to attend our monthly PTO meetings. They are open to ALL parents. PTO meetings are held in the West Campus meeting room from noon-1 p.m. and are scheduled for the following dates:

- September 23, 2015
- October 28, 2015
- November 18, 2015
- December 16, 2015
- January 20, 2016
- February 24, 2016
- March 23, 2016
- April 20, 2016
- May 18, 2016

Attending meetings can help keep you apprised of school events and activities. It can also introduce you to the various PTO committees if you are considering getting more involved. Even if you can only make it to one or two meetings, we would love to have you. The more the merrier!

**Volunteer opportunities through PTO will be included in next week’s Thursday envelope.** There are many options and if you are uncertain of what a commitment entails, feel free to contact me. We would love to help find a good fit for your interests and schedule.

Go Jaguars!

Rita

The athletic program of St. Joseph Parish exists to provide all children of our parish the opportunity to learn and develop their skills in various sports. The focus of the program is to provide a Christian atmosphere in which the individual child can develop to his/her full potential, while learning the value of teamwork and good sportsmanship. Currently our athletic program includes Baseball, Basketball, Cross Country, Football, Girl’s Volleyball, and Track & Field.

The net proceeds will be used to purchase equipment and capital expenditures for our youth athletic program.
