Gym Uniform Change for Next Year – Reminder. A few years ago, we introduced a mandatory gym uniform for the middle school. We are bringing that uniform to all grades now with the start of the new school year. It consists of mesh, basketball length
shorts with an SJS logo. The shorts must be no more than two inches above the knee. They may be longer. In cold weather, sweatpants with the SJS logo are an alternative. Shorts or sweatpants may be navy or grey. All items are available from Schoolbelles. Students will have the option of wearing a solid colored t-shirt, or any St. Joseph Spirit-wear, Positive Direction, or St. Joseph sport-related t-shirt.

**Staff Change.** We have one additional staff change to announce. Mrs. Kathy Jarosi, computer teacher for elementary and middle school students will not be returning to St. Joseph next year. Mrs. Jarosi will be moving to the west coast to be closer to her family. We wish her the very best and thank her for her many years of service to SJS.

**St. Joseph School Advisory Council** is seeking applications for appointment to the school advisory council. The council is a consultative body established for the purpose of promoting participation of the parish community in the ministry of Catholic Education, providing financial advice and direction regarding the school’s finances; assisting in the development of policy, promoting good public relations, and encouraging strategic planning. An application for appointment is included in today’s Thursday Envelope.

Sincerely,

Sally A. Kopping
