Parents:

Looking forward to my new look tomorrow during our Spirit Assembly! You’ve heard of purple rain? Well, I will have “purple hair” tomorrow. Thank you to all families for your participation in the P.T.O. Fall Fundraiser!

- Wearing uniform shorts usually ends when September ends. This year, however, we are predicted to have record-breaking high temperatures next week. We will extend wearing shorts while we enjoy this weather.
- Today we practiced our first safety drill evacuation of this school year. We exited the building and went to the far edges of our property. Next week we will have another drill. More information will be provided to all families PreK to 8th grade next week.

Halloween Surprise!
Dear Preschool Families,

The past few weeks of preschool have been filled with laughter, a few tears at separation (quickly turned to smiles) and many fun-filled activities! The children have settled into the routine and seem comfortable in our preschool setting.

We have enjoyed some special guest visitors during our first month. Miss Meghan, a talented musician, has already visited us twice. She plays her guitar and teaches us some fun songs while we dance. The children even take a turn strumming her guitar before leaving. Monsignor Michael Billian recently spent time in our classrooms as well. After asking the children if they knew what his job was one student replied, “Watch the church and keep people safe!” Monsignor added that as the Pastor he is the head of our church family of which we are all a part. He even explained that priests wear black because it represents “no color,” which allows him to draw more attention to Jesus. At the end of his visit he gave us a special blessing for the new school year. We look forward to more visits!

We had our first field trip to The Toledo Zoo over the past weekend. It was wonderful! Miss Ally, a zoo educator, taught us about prairie habitats. Children took a walk in a real prairie using binoculars to spy bugs. We learned about what makes a habitat, played a habitat game, listened to a story and even got to touch some real prairie animals and artifacts. Next month we’ll learn about watering hole habitats. Hope you are able to join us!

On our playground we have a raised garden box and we thought it would be fun to create an interactive “fairy garden” for the children to take care of. If you have any miniature fairy garden figures (safe for little hands) or fairy garden items you would like to donate to help us create this magical space please bring them in to your child’s teacher.

As a tradition, at the end of our preschool year we plant tomatoes and send them home. When the fruit begins to grow the children know it’s just about time for school to begin again! If you were a part of our program last year and have tomato plants growing please snap a picture and send it to me at cpeatee@stjoesylvania.org. Maybe a picture of your child standing next to the plant! I think it would be fun to send our gracious donor, Creque’s Greenhouse, a thank you.

In a couple of weeks you will be receiving an ASQ-3 (Ages & Stages) questionnaire. This is a screening tool designed to be filled out by a child’s parent, since you are the best source of information about your child. This questionnaire takes 10-15 minutes and is based on what your child is able to do. Please answer honestly, and send samples of your child’s work. We will then use this tool during parent/teacher conferences to see how your child is developing, his/her strengths, and any areas of concern. Thank you!
**Housekeeping**

- *Please* be mindful of other families and children walking in the parking lot as you arrive and depart from preschool. Several families have expressed concern about the speed of some of the cars as they walk through the parking lot. Thank you for your caution... we want everyone to be safe.

- If your child stays for lunch please remember *not to pack any peanut butter or any items containing nuts* of any kind because some friends have severe allergies to peanuts and we want all children to be safe. Thank you!

- As the weather starts to change and grow colder, please remember to dress your child in clothes that are warm enough to go outdoors. We like to get outside to play every day and it is important that the children are warm enough to do so. A warm jacket, hat, mittens, and appropriate shoes (no sandals) are needed on chillier days.

- Please be sure to refill your child’s extra clothes box with appropriate clothing for the temperature. We only have the clothing you’ve provided for them to change into if it is needed.

- Parents have been doing a great job of showing their blue passes to gain entry to our building. The procedures that we have in place are required for the safety of the entire school community. Thank you for understanding.

- Saint Joseph Parish School and Preschool Intersession will be October 14-18 and there will be no school. The elementary and preschool will be back in session on October 21st.

- If you receive a Medical Statement Reminder this means that your child’s medical statement (annual physical) will be or has expired. Sometimes you may be unable to get into the doctor for a new physical before the due date because of insurance requirements or scheduling availability. If you have a scheduled appointment simply write the appointment date on the bottom of the form and return it to me. When your child goes to the doctor please take the form with you, make sure *the doctor signs and dates when the physical took place*, and include a completed list of *immunizations* on the back of the medical statement.

- Next week we will be having an evacuation safety drill and we will walk to our safe meeting spot. More details will be coming.

- We love to read! Please be sure to turn any Scholastic Book orders in by this Thursday September 26 or go to clubs.scholastic.com and use the Class Activation Code: RDVNZ.

- Please use the calendar attached to plan for special days and field trips coming up!

Please make sure to mark your calendars for upcoming preschool events and check book bags and emails for more details.

Sincerely,

Cheryl Peatee,
Director
We are very busy in preschool this month! We’ll be exploring the colors of fall, apples and pumpkins, learning about fire safety and community helpers.

We have three family events scheduled this month! We’ve scheduled a trip to Trabbic Family Farms where we will be able to enjoy a hayride, pick a pumpkin, nibble on a donut and drink some delicious apple cider. We’ll even see some animals too.

This month at the Toledo Zoo we’ll learn about watering hole habitats.

Hope you can join us at our annual Preschool Trunk or Treat right here in the parking lot behind church. Children wear costumes and parade around gathering some fun treats!

We’ll begin a Preschool Jo Coffee Fundraiser right before Intersession. Proceeds will help to go toward playground improvements.

St. Joseph, Sylvania CYO Basketball Registration 2019-2020

SJS will begin registration for CYO basketball beginning today for the 2019-2020 school year. The program is open to all St. Joseph, Sylvania students and members of the parish who are enrolled in religious education classes. Students not enrolled in the school or religious education classes are not eligible for SJS CYO participation.

The registration fee for grade school basketball will be $85. Each athlete will be supplied with a uniform at the beginning of the year and be required to turn in the uniform at the end of the season.

Registration will again take place online through FinalForms. Athletes who played fall sports will only have to pay their fees. This can be done online with a credit card or at the parish center with a check. Athletes who have not played a fall sport or who have not registered online will have to do so. The registration website can be accessed at https://stjosephsylvania-oh.finalforms.com/ Non registered athletes will also need to complete the attached player contract have it signed by a physician, and turn it in to the parish center or scan it and email to Jeff Seemann at jcseemann@gmail.com. The deadline for SJS CYO Basketball registration is FRIDAY, OCTOBER 18, 2019. Registration after 10-18-19 will include a $15.00 late fee. Athletes will need to take care of their registration responsibilities in order to be placed on a team.

Because of the number of players expected to participate this year, there will be no player evaluations. If the number of participants warrants a selection process, it will take place during the first week of supervised workouts. Basketball team practices will take place the week of November 4. Coaches will call their team members alerting them to practice times.

There will be a coach’s meeting for CYO basketball on Thursday, October 10th at 8:00 PM in the west campus meeting room. Organizational plans for CYO basketball will be presented at this time. Coaches, please plan to attend.

If there are any questions, please contact basketball coordinator Joe Heban (419-346-0399) or athletic director Jeff Seemann (419-882-0661).
